TRE Accreditation Fees

Accreditation Stage	Service	Fee[1]	Invoice
Initial application	Accreditation application	£11,600	Application submission
	Re-assessment of application	£4,300 - £10,300[2]	Application re-assessment
	Transfer impact assessment (capped)[3]	£3,300	Application submission
On-going maintenance	Annual accreditation account management meeting	£600	Annual account management
	Annual review of transfer impact assessment (capped)	£3,100	Annual account management
	Changes to Accredited TREs	£2,300 - £10,300[4]	Change Control Notice
	Data transfers to an accredited TRE	£1,400 + variable costs per data transfer[5]	Data transfer

In the event an applicant fails to provide the necessary or requested documentation to the assessor before the application deadline passes, the assessment may be marked as a "Fail". The applicant will be invoiced for the full amount of the services quoted and will be ineligible to apply for TRE accreditation again for 12 months.

---

[1] All fees are subject to annual review and are exclusive of VAT

[2] If reassessment is required, the fee is dependent on the number of controls failed in the previous assessment

[3] Only applicable to applicants who require a transfer impact assessment this will be confirmed with each applicant when they apply for TRE accreditation

[4] Fee is dependent on the number of controls affected by the change proposed

[5] Variable costs are influenced by storage, egress and transfer costs incurred as a result of the magnitude and types of data requested
